TWENTY DAYS SCHOOL

Meals for Only £30

The change from free meals to having to pay can be hard and we understand.

Finding £10.50 each week isn't easy.

To help, we are offering a discount on school meals for all paying pupils for 20 days. The meal price will be £1.50 per meal—a saving of 60p a day and £3 a week.

Why not take up our offer of providing your child with a hot nutritional meal whilst saving some money.

See the school reception for more information.
