School meal costs

Dear Parents and Carers

Mellors Catering Services the on-site catering provider at Flowery Field are increasing the school meal price on April 1st 2017. The cost of a school meal will rise from £2.00 to £2.10 per meal.

This increase actually takes the meal costs back to what we used to charge before our academy conversion. The meal price still offers excellent value for money and is very competitive against other local providers.

We use locally sourced produce in our food production and cooking wherever possible; our menus are seasonable, varied and inspired and meet the government food standards. We have not compromised the quality of our products and will endeavour to offer value for money.

Best wishes,

Mr Fell.
