

Year 6 update – Sept

Dear Parents and Carers,

- The children from all 3 year six classes are attending an outdoor adventure day at Dowson School on **Monday 18th September**. Most of the local primary schools are sending their y6 pupils and one of the key objectives is to allow the children to meet and make friends whilst engaging in fun and challenging tasks.

The children should wear old clothes as there is every chance that they will get muddy. The children also need a packed lunch – school will provide these for all who usually have a school meal. (An extra drink is still a good idea though.)

We will travel by coach and should be back for the usual home time.

- On **Wednesday 27th September**, the year 6 classes are attending “safe squad” where they will engage in workshops covering aspects of Digital safety, Personal safety and Community safety. This event is supported by Greater Manchester Police, Tameside Neighbourhood Service, GM Fire and Rescue Service, the Phoenix Team and many others. This is being held at the Bennet Street Community Centre and so we will walk to and from the event and arrangements for lunch are unaffected.
- Your child has a brochure with them describing the Robinwood Activity Centre where we will be holding our year 6 **trip in January**. To secure this booking, can I please ask you to sign up and send in the deposits via parent pay.
- Finally, we are able to offer a course in cycle safety (**the bike-ability award.**) This will take place in **September** over a number of days. Places are restricted and will be given to children who regularly ride their bikes in the first instance. Please let us know if your child is interested in this opportunity.

Best wishes,

Mr Fell
